

NORDIC EUS 2024 PROGRAM

THURSDAY September 19th at Copenhagen University Hospital Herlev, Denmark

How to Learn EUS

9.00 – 9.10 Welcome Peter Vilmann

9.10 – 9.30 How to learn and how to teach EUS Lars Konge, DK

9.30 – 9.50 How I teach EUS and How does the anatomy look Roald Flesland Havre, NO

9.50-10.10 How can Artificial Intelligence help? Leonardo Sosa Valencia, FR

10.10 – 11.10 LIVE DEMO

11.10 – 11.40 COFFEE BREAK

How to Diagnose

11.40 – 12.00 What are the indications of EUS Imaging Riadh Sadik, SE

12.00 – 12.20 When is Advanced EUS Imaging indicated
(Contrast/Elasto/Shear wave/etc) Adrian Saftoiu, RO

12.20 – 13.05 LUNCH

13.05 – 13.30 What are the indications of EUS guided biopsy Anand Sahai, CA

13.30 – 13.50 How to perform EUS guided biopsy (FNA/FNB/Microbiopsy) Anand Sahai, CA

13.50 – 14.50 LIVE DEMO

14.50 – 15.20 COFFEE BREAK

15.20 – 15.40 Tissue Specimen handling Christina Grønhøj/Bozena Hansen, DK

15.40 – 16.00 When and why is Molecular diagnostics relevant Linea Melchior, DK

16.00 – 16:45 Pathological Diagnosis: Pitfalls and challenges Volkan Adsay, TU

19.00 – Dinner

NORDIC EUS

FRIDAY September 20th at Copenhagen University Hospital Herlev, Denmark

How to Treat

- 9.00 – 9.30 When and How is Bile duct Drainage performed? Kenn Binmoeller, US
- 9.30 – 10.00 When and How I perform EUS guided GEA Schalk Van Der Merwe, BE
- 10.00 – 11.00 LIVE DEMO
- 11.00 – 11.30 COFFEE BREAK
- 11.30 – 11.50 Radio frequency Ablation – the new kid Pham Khanh Do-Cong, NO
- 11.50 – 12.10 EUS-guided treatment of pancreatic WON - more than drainage? John Karstensen, DK
- 12.10 – 12.55 LUNCH

How does the Future Look

- 12.55 – 13.15 EUS/ERCP- a collaboration or a take over? Claudio de Angelis, IT
- 13.15 – 13.35 Vascular indications of EUS Kenn Binmoeller, US
- 13.35 – 14.35 LIVE DEMO
- 14.35 – 14.55 Evaluation of live demo specimens Anders Toxværd, Jane Preuss Hasselby, DK
- 14.55 – 15.15 Is Image Fusion realistic (EUS/MR/CT) Adrian Saftoiu, RO
- 15.15 -15.40 How does the future of EUS look to me Leonardo Sosa Valencia, FR
(Single use/ Aecessories/Transducer technology etc)
- 15.40-15.45 Closing remarks and introduction of Nordic EUS 2025.

Nordic EUS – Pathology session

Friday Sept. 20th, 2024

Block 1: Diagnostics

Moderators: Luis Arnes, Linea Melchior

9.00-9.10 Recap of day 1 – Anders Toxværd, Charlotte Vestrup Rift

9.10-9.55 Talk: Whole genome sequencing in the clinic and germline mutations - Karin Wadt, Dept. of Clinical Genetics, Rigshospitalet. 30 min+15 min QA

9.55-10.40 Talk: Clinical impact of different sequencing modalities; experiences from the Danish National Tumor board - Estrid Høgdall, Dept. of Pathology, Herlev Hospital. 30 min+15 min QA

10.40-11.00 – Coffee break

Block 2: Predictive analyses

Moderators: Anders Toxværd, Charlotte Vestrup Rift

11.00-11.45 Talk: Subtyping, additional molecular analyses - Remy Nicolle, INSERM, France. 30 min+15 min QA

11.45-12.10 Roundtable session

Lunch 12.10-12.55

13.00-13.45 Talk: Artificial intelligence – Thomas Hartvig Lindkær Jensen, Dept. of Pathology, Rigshospitalet. 30 min+15 min QA

13.45-14.30 Roundtable session

VENUES:

St. Auditorium – Main sessions

Ll. Auditorium – Pathology sessions

Balcony and Hall - Industry
